

**University of Glasgow
College of Medical, Veterinary and Life Sciences
School of Life Sciences**

**Professor in Anatomy and Head of the Anatomy Facility
Vacancy Ref: 035599
Salary will be within the Professorial range and subject to negotiation**

The University of Glasgow, School of Life Sciences is seeking to appointment a Professor in Anatomy. You will provide strategic leadership for the development of Anatomy as an academic discipline within the School and enhance its interactions with the School of Medicine, Dentistry and Nursing and with external stakeholders, including the Royal College of Physicians and Surgeons of Glasgow and Her Majesty's Inspectorate of Anatomy for Scotland.

You will lead Anatomy in the School of Life Sciences and develop scholarship of international quality as well as undergraduate and postgraduate teaching and curriculum development.

You will be the Head of the School's Anatomy Facility which benefits from the state-of-the-art Clinical Anatomy Skills Centre, a world-leading centre for the training of healthcare professionals developed in partnership between the Royal College of Physicians and Surgeons of Glasgow and the University of Glasgow.

The successful candidate will hold a medical degree or a PhD with extensive teaching and research experience in Anatomy/allied subject areas and comprehensive knowledge of contemporary issues and future directions for Anatomy as an academic and/or a clinical discipline.

This position is full time and is open ended.

Informal Enquiries should be directed to Professor Simon Guild, Head of the School of Life Sciences, email address: Simon.Guild@glasgow.ac.uk
