

Paper Invitation: [Medicina] Special Issue "Topographic Anatomy of the Human Body"

Dear Colleague,

Journal *Medicina* (ISSN 1010-660X, IF =2.430) currently running a Special Issue entitled "*Topographic Anatomy of the Human Body*" and as a Guest Editor of this Special Issue, I would like to invite you to contribute with your work. I think you could make an excellent contribution based on your expertise, and thus I am delighted to invite you to contribute to this Special Issue with a comprehensive Review paper, Case Reports, or full Original Research Article reporting on the latest experimental and theoretical research progress in the field of our SI.

For further details, please follow the link to the Special Issue Website at: https://www.mdpi.com/journal/medicina/special_issues/anatomy_of_the_human_body

The submission deadline is on 30 September 2022, on the https://login.mdpi.com/login?_target_path=https%3A%2F%2Fsusy.mdpi.com%2Fuser%2Flogin%3FauthAll%3Dtrue. You may send your manuscript now or up until the deadline. Submitted papers should not be published or be under consideration for publication elsewhere. If you wish to check the suitability of your manuscript or you are interested in this Issue prior to submission, you are welcome to send an abstract to the editorial office (Miss. Svetlana Miljanovic: miljanovic@mdpi.com) and you will receive feedback shortly.

We would be happy to receive your manuscript related to this topic. Once the Special Issue is closed, we will share it with relevant scholars to promote all contributions.

Medicina, launched in 1920, is an international, open access journal advancing knowledge in the field of Human Medicine, which was established by the Lithuanian University of Health Sciences and has been published by MDPI since the beginning of 2018. The journal's aims and subject areas are listed at <https://www.mdpi.com/journal/medicina/about>. Also, I am pleased to inform you that the new Impact Factor (2019) of *Medicina* is 1.205 according to the latest released Journal Citation Report, and now *Medicina* enters the ranking in the category "Medicine, General & Internal" placed 107/165 (Q3). The Article Processing Charges (APC) are 1500 CHF (Swiss Francs) per accepted paper, please see <http://www.mdpi.com/about/apc> for details.

For further details on the submission process, please see the instructions for authors at the journal website (<https://www.mdpi.com/journal/medicina/instructions>).

As soon as you have time to consider my invitation, please let me know if you would be interested in contributing to this Special Edition in such a manner.

Thank you in advance for your time, I look forward to hearing from you.

Kind regards,

Michael L. Pretterklieber m.p.
