

# Sessions of the Young Anatomists at the Tripartite Meeting, Graz (25. - 27. September 2024)

## Application and Interview Workshop

Tue, 24. Sept. 2024, 9:00 – 12:00

with Prof. Dr. Heike Kielstein, Halle, and Prof. Dr. Maximilian Lenz, Hannover

Learn about the dos and don'ts in application procedures, with a focus on professorship appointments, and participate in a simulation of a selection committee interview.

This workshop is open to all anatomists at early and mid-career levels (including medical students, doctoral candidates, postdocs, and those pursuing habilitation).

Participation is free, spots are limited. Registration via the meeting registration form is required:

<https://www.conconcept.at/de/26/627/Registration>

Deadline: 24. July!!!

## Methods Session

Wed, 25. Sept. 2024, lunch break

Anatomists at early and mid-career levels are encouraged to present a general scientific technique or method they specialize in through a brief scientific talk (10 minutes + 5 minutes Q/A).

This scientific session offers a platform to learn more about common scientific techniques covering the entire field of Anatomy - from Molecular Biology to Clinical Anatomy - and to facilitate collaborations and interactions.

The Mentoring Prize of the Young Anatomists will be awarded to the best presentation of this session.

To participate, submit an abstract including title and description of the method you intend to present via the meeting abstract submission form. Select the topic "Method Session of the Young Anatomists" and "Oral presentation":

<https://www.conconcept.at/de/26/627/Abstract-Submission>

Abstract deadline extension: 8. July!!!

**YOUNG ANATOMISTS**

ANATOMISCHE GESELLSCHAFT

## What else?

- Pre-conference Get-together  
(Mon 23.09.24, evening)
- General Assembly of the  
Young Anatomists (members only)

... join us in Graz!
