

<https://apica2023.com/>

It gives us great pleasure to welcome you to the combined 10th congress of the Asia Pacific International Congress of Anatomists (APICA) and 20th Annual Meeting of the Australian and New Zealand Association of Clinical Anatomists (ANZACA). This is a prestigious event that brings together anatomists and clinicians from all over the world to share their expertise and knowledge, and we welcome you to join this remarkable community.

ABSTRACT SUBMISSIONS OPEN

We are accepting abstracts and symposia proposals that encompass everything anatomical – bioanthropology, cancer, cellular, clinical/functional anatomy, education, indigenous anatomy, neuroanatomy, translational research and much more....

★ **Symposia:** Deadline 31 July 2023

https://apica2023.com/symposia_submission.html

★ **Abstracts:** Deadline 31 August 2023

MEET OUR INVITED SPEAKERS!

We are delighted to have a variety of internationally recognised anatomists and educators who will impart their knowledge and also have time to take questions.

- ★ Professor Susan Standring, King's College, London
- ★ Professor Yun-Qing Li, The Fourth Military Medical University, Xi'an, China
- ★ Professor Min Suk Chung, Ajou University School of Medicine, South Korea
- ★ Associate Professor Michelle Lazarus, Monash University, Australia
- ★ Professor Anthony Butler, University of Otago, Christchurch, New Zealand
- ★ Professor Louise Parr-Brownlie, University of Otago, New Zealand

PRE-CONFERENCE WORKSHOPS

You can choose from six pre-conference workshops, to be held on Thursday 30 November.

- ★ Hands-on dissection
- ★ Teaching and preparing learners for uncertainty
- ★ Creating a 3D printable anatomical model from DICOM images
- ★ Ultrasound mastery and curriculum development for educators
- ★ Writing for publication
- ★ Promoting authentic assessment in the digital era

Please help us spread the word about this conference, and we
look forward to reconnecting with you!
